PROFESSIONAL SUMMARY

Junior Frontend Developer with hands-on project experience building responsive web applications using React.js, JavaScript (ES6+), HTML5, and CSS3. Experience in developing e-commerce platforms, portfolio websites, and CRUD applications with reusable components, responsive UI, state management, and API integration. Familiar with REST APIs, Axios, Fetch API, Git, GitHub, Vite, npm, Postman, and modern frontend development practices. Motivated to continuously learn, improve code quality, and contribute to a professional development team.

TECHNICAL SKILLS

Frontend Development: React.js, JavaScript (ES6+), HTML5, CSS3, Responsive Design, Tailwind CSS, Bootstrap, Redux

APIs and Data: REST APIs, Axios, Fetch API, JSON, DummyJSON

Development Tools: Git, GitHub, VS Code, Vite, npm, Postman, Figma, Chrome DevTools

Additional: API Testing, Basic Web Security Concepts

PROFESSIONAL EXPERIENCE

Frontend Developer — Independent Projects

Practical Frontend Development

- Developed responsive web applications using React.js, JavaScript, HTML5, and CSS3.
- Built practical projects covering e-commerce, portfolio, CRUD, and responsive landing-page functionality.
- Implemented reusable React components, responsive layouts, client-side interactions, state management, and API integration.
- Integrated REST APIs using Axios and Fetch API and worked with JSON-based data.
- Used Git and GitHub for version control and project source-code management.
- Tested frontend functionality and APIs using Postman and Chrome DevTools.

PROJECTS

E-commerce Web Application — React.js

Technologies: React.js, JavaScript, CSS, REST API, Axios

- Developed a responsive e-commerce application with product listing, search, category filtering, cart, and checkout functionality.
- Integrated product data through REST APIs using Axios and applied reusable React components.
- Focused on responsive UI, usability, and clean component structure.

GitHub: <https://github.com/mohamedelsaid-dev/react-ecommerce>

Personal Portfolio Website — React.js

Technologies: React.js, JavaScript, CSS, Vite

- Built a responsive portfolio website to showcase projects, technical skills, and frontend development work.
- Implemented reusable components and project sections with direct access to project demos and repositories.
- Optimized the layout for different screen sizes and devices.

Live Demo: <https://portfolio-mohamedelsaid.vercel.app/>

GitHub: <https://github.com/mohamedelsaid-dev/portfolio>

CRUD Application — React.js and JavaScript

Technologies: React.js, JavaScript, HTML5, CSS3

- Developed CRUD functionality for creating, reading, updating, and deleting data.
- Built versions using React.js and Vanilla JavaScript with form handling and data manipulation.
- Worked with local storage and API-based data management and responsive UI.

Live Demo: <https://javascript-crud-mohamedelsaid.vercel.app/>

GitHub: <https://github.com/mohamedelsaid-dev/javascript-crud-app>

JavaScript Landing Page

Technologies: JavaScript, HTML5, CSS3, Responsive Design

- Developed a responsive landing page with clean UI structure and interactive frontend behavior.
- Applied modern CSS techniques to improve usability across different screen sizes.

EDUCATION

Bachelor's Degree in Computer Science — Cairo University | Graduated: 2019

COURSES AND TRAINING

HTML, CSS and JavaScript (Advanced) • React.js — Hooks, Routing and State Management • Responsive Web Design • API Integration and REST APIs • Git and GitHub • Modern Frontend Tools — Vite, npm and Postman • Figma and Frontend UI Development

LANGUAGES

Arabic — Native

English — Very Good
